

## Technical Data Sheet

### Item

---

Name	Hexamethylenetetramine
Synonyms	Hexamine, methenamin, urotropine
Cas number	100-97-0
Grade	99.5%

### Application

---

Plastic Industry, Wood Glue Industry, Metal fabrication Industry

### Packaging

---

PP bags with a plastic liner net weight 25kg  
Multiwall moisture-proof paper bags net weight 25kg  
Big bags net weight 500kg & 1000kg

### Specifications

---

Parameter	Specification
Appearance	White crystalline powder
Mass fraction of Amines, % Min	99.5
Mass fraction of Water, %, Max	0.5
Residue after ignition, % Max	0.1
